ANCESTORS AND PAST LIVES 2: THE RIPPLE EFFECT

As Luminous Energy Beings we carry within us our history and our future. How we are, who we are, our direction and our power at this present moment is encoded within our energy fields. How this coding affects our lives on Earth and those around us is intimately connected to and reflected in our DNA. Changing this coding is the key to transforming ourselves and this reflects outwards into our lives.

Where does the key lie? How can we access it? etc, etc. The questions are endless. Man has always been a seeker after knowledge. Yet the knowledge is within not without. This second and final part of the Ancestors and Past Lives course takes us on the first, the last, the only journey - to the centre...
